<sup>1</sup> Covered Drivers must be affiliated with a BCF Member Base. Any transportation company in New York State that operates as defined by New York State Statute (Chapter 49 of the laws of 1999) and The Black Car Fund Plan of Operation, can be a Member Base of The Fund. Covered Drivers are drivers affiliated with a Member Base of The Fund and include drivers for the following categories: Franchise and Co-Op Traditional Black Car Bases, Luxury Limousine Bases, High-Volume For-Hire Vehicle Bases (including Uber and Lyft), Transportation Network Companies, Non-Emergency Medical Transportation (NEMT).

<sup>2</sup> Drivers who are enrolled in the Drivers Benefits Program are required to meet eligibility standards related to hours worked each month in order to receive the benefits included in the Program. If you do not qualify to receive the benefits included in the Drivers Benefits Program, you MAY still qualify for Workers' Compensation through The Black Car Fund (BCF) if you are injured while dispatched by a BCF Member Base.
